## April 2024

**WELCOME TO OUR NEWEST RESIDENT TO WATTLE**

**I am sure you will love becoming part of the Wattle Community**

Unit 18 – Currently vacant.

Unit 51 – Welcome Elizabeth who moved to Wattle Hill in March.

Unit 54 – Expect a new resident prior to end of May.

Unit 57 – Expect a new resident prior to the end of April.

### **Maintenance**

If you have any maintenance issues please write it in the book and also contact the office to report the issue. Please do not discuss the issue directly with Aaron, Brian or Ron as we are finding that things are not being recorded and then the issue is forgotten. If you have been waiting for an item or issue to be fixed please let us know ASAP so that it can be sorted.

A reminder that there is a cost of \$35.00p/hr for maintenance type works to interior of unit and gardening works to rear of unit (not including parts or areas of yard that are the responsibility of Wattle Hill). Examples include:

- Changing of light bulbs
- Hanging pictures/paintings
- Changing of shower heads
- Planting and/or removal of plants

Gutter cleaning works commence on the 16<sup>th</sup> April 2024 commencing at the location of Unit 1a. There will be 2-3 trucks on site for a few days to complete the works (including facility) so please be mindful of this when entering and existing the site.

### **Marie continues to work for Wattle Hill Care**

As you know Marie had put in her notice and was planning on leaving us, but as good fortune has it, Marie has decided to stay on as a casual working 2 - 3 x days per week. This good fortune will be coming to an end. Marie is still to advise an end date, but training has commenced and Lola is currently learning the ropes from Marie. Marie still remains your first point of contact for any village matters or concerns.

### Monthly Friday Coffee Catch Up's with Dianna
